IT'S EASY TO BE A GROUP LEADER!

- ◆ You need a minimum of 15 paid participants to receive group rates. The more skiers and boarders you bring, the more you save!!
- ◆ Set your date and send or fax your reservation form as soon as possible. It's ok to change Group numbers after initial registration by calling Swiss Valley or emailing Group Sales @ LindaSue@SkiSwissValley.com.
- ◆ The group leader handles the collection of monies from group members. Payment to Swiss Valley should be made by cash, credit card, or preferably, one check.
- ◆ The group leader is responsible for picking up group lift tickets & rental cards and dispersing them to the group members, If orientation (see below) is desired, Swiss Valley Group Facilitators will help distribute the tickets and cards.
- ◆ Our orientation program is ideal for first timers or very large groups. Be advised that this program requires extra time. The orientation process is an exclusive service and will familiarize your group members with lift and rental procedures, facilities, use of equipment, etc. Remember, orientation is OPTIONAL. Please indicate your choice on the reservation form.
The entire group, including Sponsors must arrive at the same time to participate in this orientation program.
- ◆ All group members are eligible for a **free introductory lesson**. We suggest all beginning skiers/snowboarders take this free lesson as it will encourage their progress and help eliminate common beginner skier/snowboarder errors.

If you need to cancel for any reason, please be sure to call us at 269-244-5635 as soon as possible.
- ◆ **SNOWBOARDERS & SKIERS** - Some form of restraining device must be used to maintain control of your equipment at all times in order to prevent "runaway" equipment. Metal edges are required on both skis & snowboards.
