THIS IS HOW IT WORKS:

When you join the Ski Club you will be issued a punch card. This punch card is transferable and can be shared with family and friends. There are 7 "punches" on this card representing 7 lift tickets good **ALL DAY**. Five of these punches are white in color and **MUST** be used on the **day of the week** your Ski Club has chosen to ski. There are also two special "colored punches" on the card which may be used on **ANY DAY** of the week, including weekends.

For example: If your Ski Club has chosen to ski on Monday evenings, the 5 white punches must be used on Mondays. The colored punches may be used on **ANY DAY** of the week, including weekends. **You are allowed & encouraged to use your club cards on your ski club day, even if your club is not attending!**

Helmets are available to rent for \$10 per visit. They are not required, but suggested. They are not included with equipment rental punch.

Occasionally it may be necessary for a Ski Club to attend on a night other than their original choice. No problem! This can be arranged between the Ski Club Sponsor and Swiss Valley management.

Unused punches are VOID at the end of the 18/19 Season.

The Cost

The package consists of 7 lift tickets, 7 equipment (either ski or snowboard) rentals, and 3 optional group ski/snowboard lessons to be used **the first 3 weeks** your club skis as a group. **Total cost is \$173.** If rental is not needed, the cost is only **\$131.** If you are a Season Pass holder, a \$10 membership fee will be charged to join the club. If you purchase an unlimited Season Pass through the Club, the cost is **\$299** plus **\$10** membership fee (\$309 total). **Foreign Exchange Students receive a 50% discount on Club Membership.**

Season Pass Club members are eligible for 3 group ski lessons. **Lessons available only when the ski club skis together as a group.** **After March 1, 2019, any leftover punches may be used any weekday (Mon-Fri).**

IMPORTANT THINGS YOU MUST KNOW!!

- Club Cards are transferable and may be used individually or shared with family and friends.
The card is **NOT REFUNDABLE AND NOT REPLACEABLE. DO NOT LOSE THIS CARD!**
LOST OR STOLEN CARDS WILL NOT BE REPLACED. TREAT IT LIKE CASH
- If you do not have your club card with you when you arrive at Swiss Valley, you must borrow a punch from a friend or your sponsor or you must pay for your lift ticket and/or equipment rental.
- Swiss Valley cannot be responsible for unused punches on your Club Cards. The Club Cards **DO EXPIRE** at the end of the current season.
- **Club Card Refunds** will not be issued with the exception of acquiring a doctor's slip due to physical injury. Refunds will be made by prorating remaining punches on the Club Card. If Rental was purchased and unused, refund requests must be made before **Jan.31**. **ALL** refunds are sent to the School/Club Sponsor by March 1.
- **PLEASE DO NOT** laminate your cards. There will be a \$5 charge to replace *damaged* cards, including lamination. If your card is accidentally ruined, actual evidence of the card must be brought in to have the card replaced. **Lost or stolen cards WILL NOT be replaced.**
- **LESSONS** are available **only** when the Club is coming as a group. Ski lessons start when we open for the season and continue through January. - **THEFT HAPPENS ... LOCK YOUR GEAR!** Lockers are provided for personal items in both the ski & snowboard rental departments. The cost is .50 cents each time you enter the locker. Racks for equipment are located throughout the area for use with your own lock. Skiers and Boarders are encouraged to lock their equipment when not in use. FOR SPONSORS ONLY

As a Club Sponsor, you have just a few responsibilities:

- Recruit and make known the "Ski Club Program". Please call us if you have any questions regarding the program at (269) 244-5635 or email LindaSue@SkiSwissValley.com. You must have at least 10 paid members to start your Ski Club. Let us know how we can help you recruit new members.
Promotional materials are available upon request.
- Handle program registration. Collect fees and turn in ONE check to Swiss Valley. Also, you can email your roster of names and addresses of all members to LindaSue@SkiSwissValley.com or fax 269-244-8106.
- Arrange transportation for at least 5 nights of skiing.
- Orientate members: Explain program and facilities to members and parents. (We will explain to all sponsors if needed.) Make known to members: "Skier's Responsibility Code" & Michigan Department of Labor Ski Area Safety Board Rules. Copying the first 2 pages of this flyer is a great hand out to parents.
- Lessons start with first visit of your Club to Swiss Valley once the season starts, and continue for 3 visits. Lessons available only when the Club comes as a group. Ski Club lessons end January 31 unless special arrangements are made by the sponsor.
- Be involved if any problems or conflicts arise with members during any Swiss Valley visit. Be available to answer any parent inquiries.
- Sponsors are responsible for contacting Swiss Valley during marginal weather conditions. **DO NOT ASSUME** we are either open or closed. Remember Swiss Valley has **SNOW POWER!** Even if your area doesn't have snow, Swiss Valley still has plenty!
- It is advisable to have your initial Club Registration submitted by November 30. We have had many early December start-ups and you should plan to get your Club skiing as soon as possible. We would like to get your club cards back to you BEFORE winter break and we need a little time for processing.
Add-on members are always welcome and accepted in to your ski club.
- Last but not least...communicate with management about improvements or concerns. We welcome your suggestions.

REMEMBER... It is important to get your Club organized as soon as possible. Some of the best skiing starts in December. It is a known fact that part of the challenge and appeal of alpine skiing & snowboarding is the variety of weather and snow conditions. While Swiss Valley strives to bring you the best conditions possible, you must accept Michigan weather and the conditions it creates.

We are eager to work with you and carry on the tradition of a strong Ski Club program at an area dedicated to recreational winter fun!
