What is JDT?

Swiss Valley's JDT - Junior Development (Race) Team is a Ski Racing team composed of kids, ages 5-14, of all skiing ability levels. The JDT program's primary goal is to give these kids a chance to learn the art of ski racing and improve their overall skiing skills while having fun.

Team Participation includes a three-day JDT Race Camp along with weekly practices scheduled for Tuesday nights. Please reserve Thursdays as a weekly make up in the event practice is not held on Tuesday. Also available and encouraged, are races and scheduled events which include races held at Swiss Valley, Timber Ridge, Bittersweet, Cannonsburg, Mt. Brighton, Alpine Valley and Caberfae Peaks.

This program is extremely affordable with each team member enjoying more than 20 hours of instruction and coaching for only \$150.00*. Lift tickets & additional event fees not included with the registration fee. Purchasing a Season Pass at Swiss Valley is almost always the most affordable option.
