Hello!

Club leaders at Swiss Valley take great pride in helping us share our passion for family friendly and healthy wintertime activity. We appreciate every ounce of energy you put into building a strong club and look forward to creating lasting relationship with all of you. Without your efforts, none of this would be possible!

Listed below you will find helpful information to get your ski and board club started. We are always happy to help in any way that we can. Feel free to let us know if you ever need any assistance or have any questions.

- ❄️ You will need at least 15 members to qualify for discounted club pricing. Clubs enjoy a 30% savings off the regular pricing of a season pass.
- ❄️ The discounted club pass pricing will expire on November 8th, 2025. After this date, the discount will be 20% off the regular pass prices until December 1st, 2025. After December 1st, pass prices will drop to 10% off regular pass prices.
- ❄️ In order for a customer to be included on your club roster, they will need to purchase a season pass and/or club pass through the link that we will provide you. Share this link far and wide to help build your club numbers and earn rewards.
- ❄️ Customers that have already purchased their season pass for the 2025-2026 Season are not eligible to be counted as one of your 15 members.

All season pass options are available for purchase to club members.

Exclusive to our clubs is the Club 4 and 5 Visit Pass. This card is a 4-visit or 5-visit pass valid once a week on your pre-selected day. Choose a day (Monday-Thursday) that best suits your membership. The option for a Friday 4-visit or 5-visit pass is by request only.

Thank you all so much and have a great season!

Club Sponsor Reward Program

Swiss Valley's Club Sponsor Reward Program is based on the minimum of 15 club members registered through your club by December 1st, 2025. If someone was in your club previously but has purchased their pass at our earlier pass price sale, they will not be counted towards your club membership total.

Points:

As a club sponsor, you will receive 100 points for reaching your minimum of 15 club members registered through your club. You will also receive 10 points per person.

Example: 15 club members = 100 points, plus 10 points per person = 150. Total points = 250. If you have 50 club members, you would receive 100 points and 500 points for a total of 600 points.

These points can be used toward the purchase of passes. Each point will represent \$1.00 towards the pass price. You can also purchase a debit card. It takes 4 points per \$1.00 for debit cards.

The equipment rental add on is complimentary if needed for club sponsors.

Receiving your Rewards:

You can reach out after December 1st deadline to redeem your points for passes and debit card. Please do not purchase your pass or go online to redeem, our team will handle this for you.
